ages 5-12

3:30-4:30pm, Winter Celebration of Dance
Performance

Cost for the workshop is \$20

All are welcome to attend this performance.
Donations are welcome.

Every year we celebrate the season with a special performance by the Dancers Workshop Performing Group, a group of dancers ages 8-18 who are dedicated to sharing creative dance with the community. Our Annual Winter Celebration of Dance is being held Sunday, December 9 at 3:30pm at the Stow Town Hall.

In addition, a special workshop will be held from 2:00-3:30pm for boys and girls ages 5+. Participants will create dances to the story and music of the Nutcracker as well as our own story of the Magic Toy Shop and other dances to celebrate the holiday season. All participants are invited to be a part of the show. The performance is appropriate for all ages and is a wonderful opportunity for families to get together and experience the joy of dance and movement. You can do the workshop, attend the performance, or both! Join in the fun! Please register for the workshop by December 1.

Answers to Frequently Asked Questions

Q: When can parents observe class?

A: Parents are invited to watch classes on special visiting days a few times during the year. Parents are asked to wait in the waiting area on non-visiting days. I find that students focus better and perform their best when there are not visitors on a weekly basis.

Q: Where should shoes, etc. be left during dance class?

A: All belongings other than water bottles can be left in the designated area in the hallway. Please no street shoes in the dance area as we want to keep our dance space clean.

Q: Where should I park?

A: Pepperell Community Center, Community Church of Pepperell, and First Parish Church of Stow have designated parking lots. At the Stow Town Hall, parking is allowed in the parking areas on Hartley Road (above the fire station), Center School (when school is not in session) and the southerly side of Crescent Street next to the Town Hall. Parking in the new town offices parking lot is prohibited. Thanks!

Q: What if my child is sick?

A: With the start of the school year also comes germs. Please encourage your child to sneeze and cough into their elbows rather than their hands to help prevent the spread of germs. Also, if your child is sick please, for the safety of everyone, let your child recover at home for the day and rejoin us when feeling better. If your child is sick and/or on vacation and is unable to attend class, please call and leave a message on my answering machine. Classes may be made up by attending another class of the same age level during the session if a class is available. Please call in advance if you would like to make up a class. Thanks!
