Dance is for everyone and
everyone can dance!

Important Information: Please Read

- ◆ With the changing recommended safety guidelines regarding COVID, I want to continue to honor everyone's needs at this time so we will be changing to a mask optional policy on a class by class basis starting March 14. If someone in your family has medical needs requiring everyone in class to wear a mask, I am sure our families will all be supportive and understanding so please don't hesitate to reach out. Everyone will continue to wear masks after anyone has been in quarantine to complete 10 days. We will continue to follow safe cleaning protocols and open windows with the warmer weather.
- ◆ Due to the fact that there is not much space to social distance in our waiting areas, I encourage parents to drop off/pick up students.
- ◆ Parents are invited to watch classes on special visiting days a few times during the year. I find that students focus better and perform their best when there are not observers on a weekly basis.
- ◆ It is important in these times that if your child is sick, please, let your child recover at home for the day and rejoin us when feeling better. And, if you or a family member are experiencing any COVID-19 symptoms or have been in contact with someone who has tested positive, please stay at home for the safety of everyone.
- ◆ Any dance classes cancelled due to weather or unforeseen circumstances will be rescheduled for the end of the session or will be held on zoom. I will send an email to each student if class is cancelled/or being held online at least one hour prior to the start of class. Therefore, it is very important that you share up to date contact information and check your emails regularly. If you are unsure if class is being held, please call 978-433-8349.
- ◆ Our dress code is as follows: anything comfortable for moving that allows full mobility and allows the teacher to see the dancer's correct alignment. Dancers may wear leggings/or dance shorts and a fitted t-shirt or leotard. We dance barefoot so we can fully feel our feet on the floor. Dance skirts are fine. Dancers may bring a water bottle.
- ◆ Please provide a note if anyone other than the usual people are to pick up your child from dance class and be prepared to show identification for safety purposes
- ◆ Each spring we have an informal performance to conclude our year of dance and to share all we have learned throughout the year. All children's classes (ages 5+) are welcome to participate. This year's performance is scheduled for Saturday, May 21, 2022 at the Mary Rowaldson Elementary School in Lancaster, MA. Our back-up plan is to hold an outdoor performance at the Stow Recreation Field on that same date (or a rain date of Sunday, May 22 if needed). Please save the dates!
- ◆ If you need to reach me during class time, my cell phone is 978-869-6168. Please use my home/work phone for all other calls. I like to think of all of you as part of my dance family. If you, parent or child, have a question or concern, please contact me. I would be happy to talk with you!
